120 Yearbook Staff

Admin

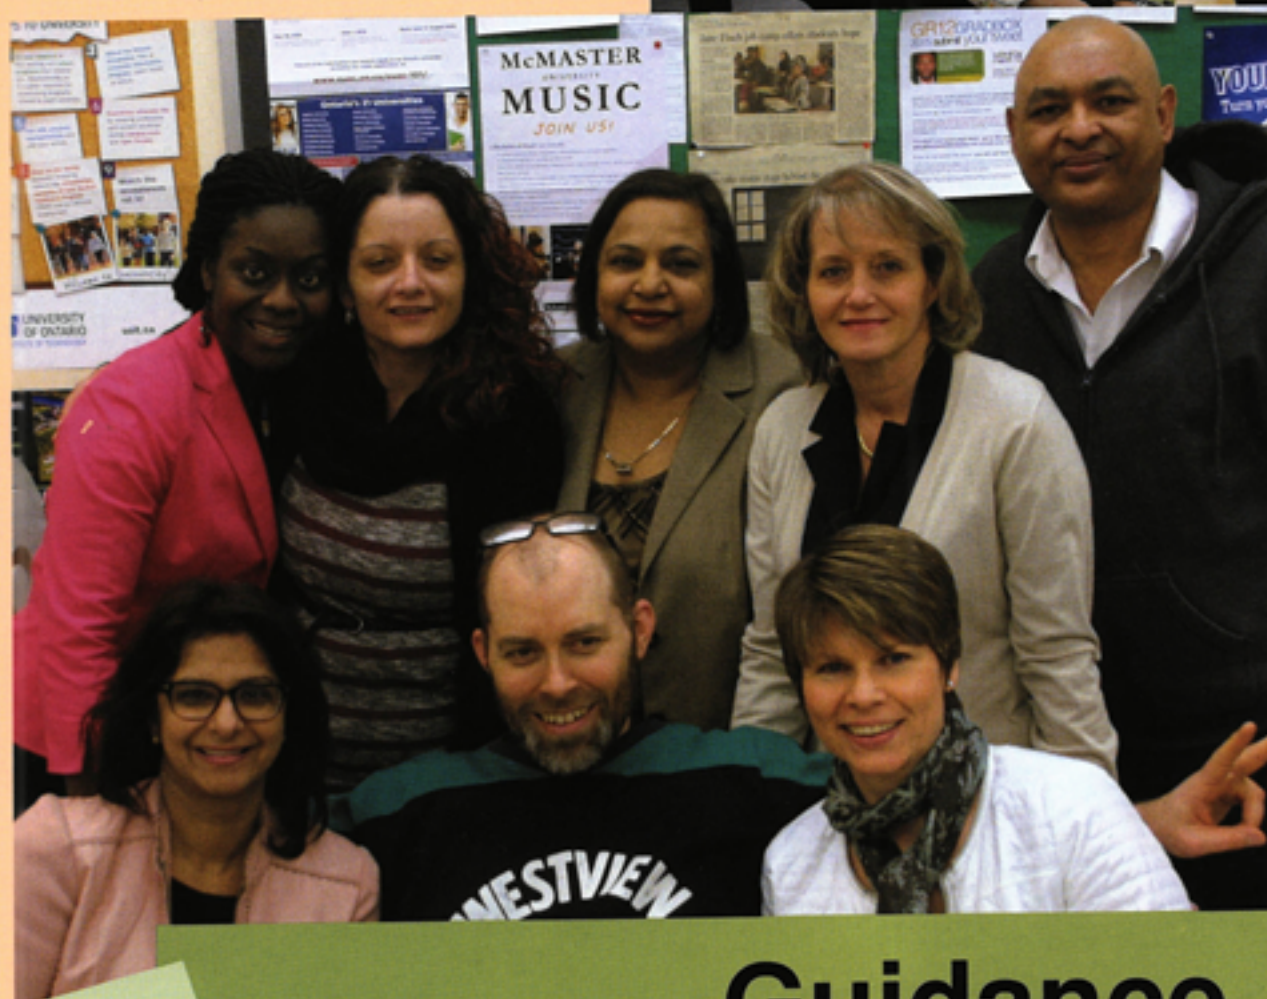

Pictured Above: VP's: Ms. Gayle-Bonner, Mr. Burto, Mr. Hobbs, Principal Ms. Scobie

As principal of Westview Centennial, this year has been more than AMAZING!!! I am so proud of the Westview Staff. They worked tirelessly to ensure that you, the Westview students, were empowered and supported every single day. Within this yearbook, you will see staff teaching, mentoring, coaching, building, supporting, singing, and even dancing. It was evident each day that the staff make you a priority. They planned for you, boasted about you, taught for you, believed in you, and in some cases, they prayed for you. I'm proud of our students. I love your quality of "keeping it real". I have learned so much from you this year and thank you for bringing life into my office, sharing your stories, for looking out for one another and for the many ways that you, the students, continuously inspire me to consider new perspectives and remain open to new learning. Thank you for being yourselves.

Be proud and stand tall for you have conquered another year. Please know that you will be missed over the summer. Enjoy your summer and make sure that you do not take one single day for granted.
WE ARE WESTVIEW!
